HALLA GROUP INTRODUCTION

The Halla Group was established in 1962 and has remained a leader in Korea's heavy industries ever since, playing a significant role in national economic development. Currently, the Group is growing as a major player in construction, automotive parts production, port and logistics operation, investment, education, and sports team management. Halla today is a global enterprise that does business in China, Southeast Asia, the Middle East, Europe and North America.

Our Group aims to be a solid, world-class enterprise that is admired and among the best in the business. To this end, all affiliates continue to bolster their core competencies as well as expand their cooperative ties. The Halla spirit can be summed up as "enterprising endeavors, creative development and sense of unity". This provides a solid basis for achieving the corporate dream. The Halla Group is now taking on the challenge of shaping a new future, advancing ever outward in the world.
